FROM THE PRINCIPAL

Kew Festival
Once again KEPS was well represented at the annual Kew Festival parade on Saturday and what a perfect day for this annual festival. Thank you to all the students who marched and to the many parents who lined the street to cheer on the KEPS students. A special thanks to Di Terrill-Wynne for organising everyone, Renee Ferris, for leading and assisting all students to make their beautiful masks for the ‘carnivale’ theme; and Genevieve Cleary for leading the parade. Also to thank you to the many staff who volunteered to come and march alongside their students.

As a result of our efforts we were the winners of the most original parade entrant. Well done everyone!

Leadership Badge Ceremony
Just a reminder that next week’s assembly will mainly be devoted to the presentation of leadership badges for all students in ambassador, house captain and vice captain, music captain and vice captain and junior school council members. School captains from Kew HS, Jess Spring and Andrew Dimopoulos will present our leaders with their badges.

Staff News
We are very pleased to welcome a new staff member Cristina Campagna to the Kew East Primary School community. Cristina will be replacing Emily Thompson who has taken leave for the remainder of 2011. Cristina has met parents and has already commenced her new position in Preps. We look forward to working with Cristina as part of our team at KEPS and wish her a very happy and most rewarding time with her Prep class this year.

I would also like to acknowledge the work of Emily Thompson in Prep and her valuable contribution to the Green Team; and wish her well for the remainder of 2011 while she is on leave.

Facilities
BER
We are very close to the official hand over of the new multipurpose centre (gym/music/teaching spaces) and in fact we expect it to happen this week. Hopefully we will be able to move in later this week and commence lessons in this new facility before the end of term.

However there are still some outstanding works which still need completion, particularly at the south and north entrance areas. Work has commenced today in relation to the south entrance, near the OSHC building and will be completed before the end of term. The north end will require school council to undertake work next term.

The official opening of the new multipurpose centre will be on 2 May 2011 at a Monday assembly commencing at the usual time of 9.00 am. All parents who are able to attend this assembly are most welcome.
Fencing
We also anticipate that the new school fence and gates will be completed this week. It certainly has given the school a lift and complements our new building and school signs. As mentioned previously, we were very fortunate to gain funding from DEECD to pay for the new fence.

Parent Payments
A reminder to all parents to settle any outstanding payments from Term 1 2011. I am aware that a number of parents still have not paid their essential items and some other payments requested. The cut off time for these payments was 28 February 2011. As we are about to issue the Term 2 payment planner, I would request that both Term 1 and the new Term 2 payments are made prior to or by Monday 9 May 2011.

Your attention to this matter will be greatly appreciated.

Planning Week
This week at KEPS it is planning week for teachers. Every term teachers are released, (mostly by the specialist teachers allowing programs to continue, just at a different time) to plan in detail the curriculum which will be covered during the following term.

Level 4 will plan on Monday, Level 3 on Tuesday, Level 1 on Wednesday and Level 2 on Thursday. Specialists will plan at various times during the week. Usually planning week occurs a little later in the term, but by planning earlier we will be better prepared to start the term.

Once teachers have determined the focus of their units of work, incursions and excursions can be booked, costed and then placed on the Term Payment Planner which will go out at the end of this term rather than at the beginning of next, (another reason for planning earlier in the term).

Details of curriculum being covered will be communicated to families in Level Newsletters at the start of Term 2.

Class Reps
The complete list of Class Reps is once again included with the newsletter. There have been a few inclusions since the last publication. Thank you once again to all of those who have volunteered for this role.

As this is a Carnival year, we are now looking for Level Reps. The Level Rep will be one of the Class Reps who is willing to represent the whole level and take on the responsibility of meeting with Connie Barnes, (Carnival Coordinator). It will involve working with the other Class Reps in their level to ensure open communication and fair distribution of tasks.

Class Contact Lists
Class lists will be sent home to those who have agreed to release their contact details. These details will only go to the class members whose details are on them and will be sent out in hard copy. Class reps will also receive a copy of their own classes contact details in electronic form to aid them with passing on information.

LEARNING PORTFOLIOS – LEARNING GOALS
This semester all students have been developing learning goals with the guidance of their teacher.

Students have already started working on improving in the identified areas, however an integral component of the learning goal process is to let parents/guardians know what learning goals have been developed.

Parents sign and return the goal(s) to the school
Accordingly, over the course of this week all goals will be sent home for a parent/guardian to read. After reading through each of the goals, parents are asked to sign each one, and then return them to the school as quickly as possible.

Signed goals returned to the school
Referring to the goals in an ongoing manner in the classroom also forms an important part of the process, so it is very important that the goals are returned to the school at the latest by the end of Week 9.
Remember, there are many ways you can help your child(ren) with their learning. Taking the opportunity to talk with them regularly about how they are progressing with their goals is another way you can support them.

AMBASSADOR NEWS
‘Impact Leadership Conference’
On March 7, 17 students from the K.E.P.S leadership group went to a leadership conference in Melbourne called ‘Impact Leadership’. The 17 students that went to the conference were the 4 ambassadors, the 8 house captains, the 2 music captains and the 3 JSC office bearers.

Will

At the leadership conference we learnt about the high five leadership principles, which are:

1. careful thinking with a view to action
2. prioritise your time
3. involve others
4. recover from setbacks
5. generosity towards others

The hosts of the leadership conference said that if we did this we would be able to give leadership a high five. We also had to fill out a sentence about which principle was the most difficult to achieve and how you thought you could do it better.

Emma B

After our morning break we learnt a lot about public speaking. One of the things was that public speaking is the number 1 fear in the world, more than people being scared of heights and flying. We also learnt 10 tips to improve our public speaking some of these included practising your presentation, writing out your talk and communicating clear points to the audience.

Lachie

During session 3 of the leadership conference we discussed ‘Ways you can be a leader without being a leader’. A few students went up onto the stage and did a role-play, as a cook, a fireman and a doctor. They were all cooking food for dinner so the cook was in charge of getting everything organised. Then, when the fireman was cutting up some lettuce he cut his hand and that meant the doctor had to step up even though he wasn’t the leader to help the fireman in need. In that story the cook was the actual leader but the doctor had to be the leader when the fireman cut himself even though he wasn’t a leader.

GREEN TEAM NEWS
Introducing the Green Team

The Green Team is a relaxed group of KEPS teachers and parents who support our school in becoming an environmentally aware, sustainable community through practical initiatives. Some recent projects have been obtaining a bank of 36 Solar Panels, hosting an annual Twilight Picnic, developing a Habitat Haven, fostering wider community connections, and we have a presence at whole school functions with giveaways and displays. We are a sub-committee of Facilities and meet 8 times a year at 5:30pm on a Wednesday in the staffroom and welcome new members or ideas if you have something to suggest. See Jenny Quigley or Valerie Hempenstall for more information.

Question: What's blue, yellow and green?
Answer: KEPS Kids who are members of the Environment Club!

The Environment Club's vision is to encourage students to make environmentally friendly decisions and to understand the role and influence a healthy environment has on our lives and the lives of others. We do hands-on activities related to the seasons, especially planting, watering, composting, worm farming, weeding, harvesting and cooking. Our next feast is eating our potato harvest as hot chips with dipping sauces. Nothing tastes as good as food you have grown yourself without chemicals or cool-stored time delay. This term we also picked and ate sunflower seeds, corn, spring onions (hiding in the hot chips) and beetroot. Environment Club is open to any student in grades 1-6, meeting Thursday lunchtime for 40 minutes.
Clothing Donations
Vinnies has notified us that the Clothing Re-cycle Bin housed outside the Staffroom will be removed because of low volume. However, they appreciate our donations and will come for a one-off pick up if we have a substantial amount---maybe after our KEPS Carnival in November?

Val Hempenstall
Green Team and Environment Club

GIANT PUMPKINS
Come and see the very big pumpkins grown by the KEPS community over the summer on display in the Junior School Hall. The students were given the same seeds but the variations in results have provoked much discussion. Pumpkins have come to school in wheelbarrows, prams and the Environment Club rolled theirs from the vegetable patch to the Hall. The pumpkins will be on display for one more week and then the families will have to decide what to do with them. Autumn in Canada is in October and these specimens would end up as Jack O’Lanterns but here, people are saying they will try pumpkin soup, scones and crispy roasted. We may try Pumpkin Pie with the Environment Club as the ‘delicious’ reward of our sustainable practice. It has been an exciting learning experience for the children including the Preps who have hefted, sat upon, ordered and estimated by size.

LIBRARY NEWS
Victorian Premier’s Reading Challenge 2011
Last week, the students who have said that they would like to take part in the Victorian Premier’s Reading Challenge were given a consent form to take home. These forms are to be signed by both the parents and students.

Section 1 of the form allows the student to participate in the Challenge and section 2 of the form allows the student’s name to be published in the Premier’s Reading Challenge Achievers Honour Roll in The Age in October or November 2011. Section 2 is optional. If you have not done so, please remember to return the consent form to the school as soon as possible.

Parents can log onto the website www.education.vic.gov.au/prc to find out more about the Challenge.

What the students have to do now?
All the students have to do now is to keep a record log of the books they have read starting from February this year. Write down both the title and author of the book. You are welcome to give the list to me anytime to enter into the database. If I am not in the Library, please give it to your class teacher to hand it to me when I am in on Wednesdays and Fridays so that you do not lose it.

The books read can be borrowed from any other libraries or from your own collection. The only rule is that they must be read this year between February and August 2011. For the younger ones, you can also include books you have read with someone in your family.

Remember this is not a competition but a challenge for you to read, read and read!

Library bags
If you have borrowed a KEPS Library bag home, please return it to the Library as soon as possible. We have lost quite a few of our bags. Please remember to write the name of your child on his or her own library bag so that we know who to return it to if they are found. A few parents have been looking for their child’s lost library bag.

Keep reading!

SPORTS NEWS

Sports Term Dates
• Friday 25 March weekly Interschool sport.
• Friday 1 April Level 4 Interschool Gala Day
• Note all dates are subject to change

Regional Swimming Results
On Friday 11 March Tiia Verosaari competed in the Eastern Metropolitan region swimming carnival. She competed in the 50 metre backstroke event following her win in the division carnival a few weeks ago. She did very well and came in fourth place. Well done Tiia on the fantastic effort.

Interschool Sport Results
Last Friday March 18 we played against Hawthorn West Primary in Interschool sport. Some teams played against Kew Primary. The teams are developing their skills and teamwork well in the lead up to gala day. The results were as follows.
• cricket – lost by 14 runs • mixed kanga – won by 108 runs • boys kanga – won by 232 runs • kanga 6 – lost by 3 runs • social kanga – lost by 25 runs • kanga girls lost by 32 runs • social teeball – won by 11 runs • senior teeball – lost by lost by 3 runs • social rounders – won by 5 runs • senior rounders – lost by 13 runs • senior & social bat tennis – lost by 10 games

State Trials
Over the coming week some grade 6 students will be asked to participate in trials for state primary school teams in the following sports football, netball, basketball, soccer and tennis. Students will be asked based on their participation in these sports in both interschool sport last year and physical education. If there are any students that compete in a high level for tennis can you please see me at school. These trials will be held mainly afterschool next week at various venues across the region. This is the initial trial phase and if students progress through district trials there will be additional trials and training at different times.

Mothers Day Luncheon – Thursday 5 May, 2011

Attached to the newsletter is an invitation to our KEPS Mothers Day Luncheon to be held just before Mothers Day on Thursday 5 May, 2011 at the new and exciting St Catherine’s.

The lunch is being organised by Donna Cameron and Sarah Dalton, members of our Social and Fundraising Committee, however the purpose of this event is purely social!

We hope you will all support this social event. Please come along and celebrate Mothers Day by enjoying a lovely lunch with your friends and fellow Mums at Kew East Primary School.

Your Class Representative has been asked to arrange a class table at the lunch, so please let them know if you can attend. However, if you would prefer to sit with a table of friends, that’s fine, just let us know.

Please print and return the attached flyer, and block out your diary for Thursday 5 May, and please don’t hesitate to call if you have any queries.

Mark it in your diaries!

Dear KEPS families,

I hope you have all had a great start to the year. One event to look forward to this year is the KEPS Carnival. Carnival day is going to be a great day filled with stalls, food, rides, competitions, silent and loud auctions and of course fun and entertainment for young and all.

The fun will start at 12.00 NOON and continue until 7.00pm. All non-food stalls will close at 5.00pm, and from 5.00pm to 7.00pm we invite you to relax and eat, drink, and enjoy Jazz, Blues and other great entertainment.

A lot of work goes into making the Carnival a day enjoyed by all. Planning began early last year and many people have already been on the job.

Carnival day is the one day of the year we ask you to make KEPS a priority and give some of your precious time to help set up, run stalls, pack up and also enjoy what the carnival has to offer.

We are very fortunate this year to have several parents who have volunteered to be carnival leaders. These people have taken on responsibility for a particular area of the carnival but we will need people to join their team to get the jobs done.

Below is a list of the teams and team leaders. Thank you team leaders!!!

We would like to thank the following people for volunteering to undertake important jobs:

- **Street closure** - Arthur Tsekouras; Tamara Wraith
- **Food handling** - Marisa Brazzale (Chen); Jackie Anderson
- **Graphics/Art work for boards and fliers** - Andi Morton
- **Rubbish & toilet duty** - Facilities committee
- **Electrical Work** - Andrew Thomson; James Grant
- **Coffee machine** - Maria Cervi

If you would like to join any of the existing teams or volunteer for the vacant teams please email the person in charge or contact Connie Barnes by e-mail cbarnes@aiet.com.au or by phone (0409 029 848). Your help will be greatly appreciated.

All classes will be allocated a stall to run on the day. Your class rep will keep you informed about the carnival and will organise a class roster for your stall closer to the day. Parents will be expected to be on a roster to help set up, man, and pack up their stall on the day. Families will also be asked to donate items for a class hamper and general items needed for stalls, such as sugar, cans of soft drink, chocolate bars, etc. A full list of donation items will be published later. Look out for carnival updates in the newsletter and stay in touch with your class rep. Most importantly we want all families to come and have fun on the day. If you have any ideas or advice that could assist me in the organisation and running of the carnival, please email or call me.

OUT TO LUNCH
Experience another culture

BRING HOME A BROTHER OR A SISTER

In June/July 2011, students aged 14 – 19 years from Europe, the USA and Latin America will be arriving in Australia to study at local schools for 2-10 months. Opportunities are available to act as a host family in a volunteer/unpaid capacity. Hosting can be on a temporary, short or long term basis.

Host families help provide each student with the chance to study and experience life in Australia. This is a great way to practice another language, share your stories, learn about another country and culture, establish a lifelong link to a family in another country and contribute to international goodwill.

Our students bring with them their own spending money, health insurance and a wonderful attitude and desire to learn about their new host country. Your whole family….and your relatives and friends….will grow and learn as you all get to know your new ‘son’ or ‘daughter’ from another land. If your family can offer a friendly, supportive and caring home environment, contact us today.

To learn more about this opportunity call Student Exchange Australia New Zealand on 1300 135 331 or visit our website.

http://studentexchange.org.au/
TAKE HOME A BIG BROTHER OR BIG SISTER
Give your children the wonderful opportunity to have an international big brother or big sister by hosting one of our exceptional international students arriving in Australia in July for their 5 or 10 month programs. Our international students from France, Germany, Italy, and the Scandinavian countries will live as a local, attend a local secondary school, arrive with their own spending money and comprehensive insurance cover – all arranged by Southern Cross Cultural Exchange. Visit us at www.scce.com.au, email scceaust@scce.com.au or call us toll free on 1800 500 501, request our little booklets of international student profiles, and capture the spirit of family and friendship!

Kew Auskick 2011- Venue: Victoria Park Kew. We welcome boys and girls to participate in Auskick, Saturday mornings 9.00am – 10.00am commencing 2nd April 2011. Please visit www.aflauskick.com and register online now. We look forward to seeing you.

Alphington Primary School Fair
Alphington Primary School Fair is on this Saturday, March 26th from 10am until 4pm. Wristbands at a reduced price available prior to the event by messaging 0438 025 979. $45/$25 on the day. Twenty two activities for this price built around a Medieval Theme. Famous preserves, eco clothing, amazing gourmet food and all day live entertainment is awaiting families. So how about you cross the river to Yarralea Street, Alphington....you will be made very welcome.
