At the first School Council meeting for 2011 office bearers and Subcommittee Convenors were elected and are as follows:

School Council President: David Rehe
Vice President: Merv Kiley
Treasurer: Stephen Tucker
Secretary: Andrea Phillips

School Council Subcommittee Convenors
Finance: David Rehe
Facilities: Mark Young
Education: Deb Sparke
Social & Fund Raising: Lisa Marquette

I wish to congratulate and thank all new officer bearers for taking on leadership roles within the School Council structure and look forward to working with them and the council over the next 12 months.

If any parents wish to join the Facilities, Education, OSHC or Social & Fund Raising Sub Committees please contact the Convenors via the KEPS email address or speak to them directly.

Student Leadership Badge Presentation
All student school leaders will be recognised with the presentation of leadership badges at Monday morning assembly on 28 March 2011. Badges will be presented to School Ambassadors, House Captains and Vice Captains, Music Captains and Vice Captains, Junior School Council (JSC) members and ELF (Environmental Leaders of the Future) leaders. School Captains from Kew High School (Jess & Andrew) who I believe are both ex KEPS students, will assist with the presentation of badges to the KEPS leaders.

Kew Festival Saturday 19 March 2010
Just a reminder that KEPS will be participating once again in the annual Kew Festival on Saturday 19 March 2011. Visual Arts teacher, Renee Ferris, has been busy assisting students to make face masks in keeping with the ‘carnivale’ theme for this year’s grand parade. We look forward to families allowing students to march in the parade. Further details of this event will be sent home as soon as we receive them.
School Camps
A number of camps are currently being organised for 2011. In addition, student numbers have been projected out to 2014 so that future camps can be booked according to student numbers in Level 3 and Level 4 for this period of time. Camps need to be booked at least 1-2 years ahead of the camp taking place due to a high demand by schools. To avoid the splitting of camps we have endeavoured to book sites which can accommodate our projected numbers.

Music Camp 21-23 March 2011
The Music camp to Fern Gully Lodge, Healesville will be taking place on Monday 21 March to Wednesday 23 March. This involves the Concert Band members, who will participate in tutorial groups and intensive band rehearsals while on camp. Students will depart 4.30 pm on the 21 March and return to school by 3.00pm on the Wednesday 23 March. However, students will remain at school until 3.30pm unless otherwise arranged by parents. Please note that students will be returning back to school by 3.00pm rather than 4.00pm as earlier advertised.

Level 4 Camp 2011 16-20 May 2011
Preparations are well under way for the Level 4 camp to Coonawarra Farm Resort in Gippsland. This camp will be a 5 day camp held on Monday 16 May to Friday 20 May 2011. It is anticipated that Term 2 Planners will be out before the end of this term so that costs can be paid as part of the planner. Parents will be receiving information and associated costs today in relation to the camp.

Level 3 Camp October 2011
Level 3 will be attending a 3 day bush Camp at ‘Camp Rumbug’ in Gippsland on Wednesday 26 October to Friday 28 October. All year 3 students will have the opportunity to attend this 3 day camp as a whole group unlike last year when we had a split camp spread over a week.

2012 Level 4 Camp
School Council has endorsed the Level 4 camp for 2012 which will be a trip to Canberra. Costing and arrangements for this camp have nearly been completed and we anticipate that a booking will be finalised in the next few days. A letter with more detail will be sent home to all students in Year 4 and 5 this year as they will be the students who will have the opportunity to share a wonderful experience to visit Australia’s capital city in 2012.

FROM THE ASSISTANT PRINCIPAL
Welcome Picnic
We were certainly extremely lucky with the weather last Friday considering how unpredictable it has been recently. It was great to see lots of families there so thank you to those who were able to attend. Whilst it was really a social event, we also raised some money due to drink sales. We made $1 305.36 on the night which will go towards the purchase of a marquee for future school events.

Thank you to the many parents who assisted on the evening: Donna Cameron, Heather Branscombe, Georgie Brown, Sarah Maccarone, Justine Reid, Jacki Anderson, Andi Morton, Deb Tulloch, Debbie Sparkes, Catherine Waters and Stacy Sanders.

A special thank you also to Tim Warmington for once again providing music for our event.

Thank you to the many parents who assisted on the evening.

Class Reps
Nearly all classes now have at least 1 class rep, with many having several who are able to share this responsibility. The names of class reps are published below.

To allow easy communication, contact details of families from each class will be compiled by the office and then passed onto the class reps and families who have provided their details within that class. Once these lists are distributed, Class Reps can begin to organise social events and contact parents for assistance with school events as necessary. Thank you once again to those parents who have agreed to take on this role. Your support is greatly appreciated.

**CRE**
Christian Religious Education for Levels 2 – 4 students commenced yesterday. Level 3 and 4 will have their 25 minutes session on Monday afternoon while Level 2 will be on Wednesday afternoon. Level 1 begins in Term 2. If you are unsure as to whether or not you have given permission for your child to attend, please contact the office. This permission was gained when completing enrolment papers. If you have since changed your mind about attendance, again please notify the office in writing so that your request can be noted.

Although Easter falls very late into the holiday break, the Easter CRE service will again be held on the last Monday of Term 1. This year it will be held at St Paul’s requiring students to walk with teachers to the church for this service. The local walk permission form will cover students engaging on this short, supervised walk.

At this stage I have no commencement date for Jewish Religious Education and am waiting for confirmation.

**School Photos Tuesday 15 March 2011**
On Tuesday 15 March (the day after the long weekend), students will have their 2011 school photos taken. On this day, the photographers will take class photos, individual photos, sibling photos and, weather and time permitting, a whole school photo.

Other photos such as Ambassadors, House Captains and Year 6 Graduation will be done later in the year.

All envelopes with full payment need to be returned to school prior to the photos being taken. Your child needs to return this to their class teacher who will send the money to the office to be stored until Tuesday morning when the photographers will collect it.

So don’t forget to send all children to school bright and shiny after the long weekend.

**Deb Sparke**
Assistant Principal

**LEARNING PORTFOLIOS**
Welcome to all new families to the school. In addition to the written reports provided each semester, an important component of reporting to parents on students’ learning is the use of learning portfolios. These are sent home each semester to be viewed by parents, and last year, KEPS introduced individually developed learning goals in addition to students including work samples.

**Learning Portfolios – Learning Goals**
This semester once again all students will be developing learning goals with the guidance of their teacher.

Already teachers have been working with students in the classroom helping to identify areas of improvement.

During Week 8 all goals will be sent home. After reading through each of the goals, parents are asked to sign each one, and return them in Week 9.
Referring to the goals in an ongoing manner in the classroom forms an important part of the process, so it is very important that the goals are returned to the school by the end of Week 9.

So please, once you receive the learning goals, read through them with your child, sign the bottom and return them to the school by the end of Week 9 at the latest.

The above fixture is for this Friday. Social bat tennis students will be told by Wednesday 9 March if they are staying at school or going to Bialik College. At times some teams may have to play against each other as each school has different amounts of teams in each sport and games cannot always be arranged.

A fixture will be given out at the beginning of each week to the Level 4 students so they know where they are playing on that Friday.

If you have indicated that you would like to be a parent helper I will call you if you are required. If you don’t hear from me you are more than welcome to come and support and help out on the day. Thanks to all parents that have offered their help, without it there would be no games!!

TRANSITION: YEAR 6 – YEAR 7
Next term secondary school information including an Application for Enrolment (Year 7) will be distributed to all parents of year 6 students.

The enrolment form will have each student’s designated state secondary school according to residential address. The residential address is printed according to current school records. Please ensure that the school has the correct residential address for your child.
Parents/guardians will be required to specify their preference for secondary school if they intend their child to attend a state secondary school. If a student is enrolled to attend a private secondary school the form must still be returned indicating that your child does not require placement in a state secondary school.

SCHOOL AMBASSADOR NEWS

Introducing the 2011 School Ambassadors.....

Hi, my name is Emma  
I've been at KEPS since Prep and last year I was chosen to be a school ambassador. I was feeling a mixture of excitement, achievement and a tiny bit nervous. During the school holidays I grew more nervous and by my first assembly I was really nervous!

During my 6 years at KEPS I've done lots of things such as band, selected as an ELF, Year 5 leadership, district cross country and athletics. I like school and try to get the most out of it!  
This year as an ambassador, I would like to get better at public speaking. I would also like to be a good role model and a planner. But most importantly, listen to all students because we all have a voice.

Emma Barham

Hi, my name is Emma D and I feel privileged to be chosen as one of the 2011 School Ambassadors. I have been at KEPS for 7 years and have participated in many activities. I enjoy sport and have taken part in Hootime, Athletics day and Cross Country. I am also a member of the Concert Band.

I feel excited, proud and very nervous about the role but I am looking forward to improving my leadership, public speaking and organisational skills. Some of the things I would like to get out of the role are becoming a better role model, being more of a ‘planner than a last minute’ and understanding what needs to go on in and around the school.

I am looking forward to the role of ambassador and I hope this will be a fantastic year.

Emma De Graaff
Hi, my name is Will and I am one of the four selected School Ambassadors for 2011. I feel very proud to be chosen as a school Ambassador. Even though I am feeling proud I am also feeling anxious with all the new responsibilities I will have. I have been at KEPS since Prep. Some of the things that I enjoy doing are playing sport and reading. I was involved in the Tournament of Minds team last year. I also play in the school band.

Throughout the course of the year I would like to improve my public speaking skills. I am looking forward to the challenge of new responsibilities over the course over the year. I hope to become a better role model for the younger students. The final thing I would like to do is to become a planner. This would consist of doing work bit by bit before it’s due rather than doing it the night before it’s due. I am looking forward to the year ahead.

Will Harris

Hi my name is Lachie. This is my seventh year at Kew East and I have loved every day of it. The thing that I love to do is play sport, especially cricket, basketball and footy. When I got the role to be an ambassador I felt very honoured, but I have always been terrified of public speaking. There are two things that I want to achieve in this role, firstly, to be comfortable with speaking in front of big crowds and secondly, to become better at organising things. So I hope I am able to achieve my personal goals and be a great ambassador for my school.

**Victorian Premier’s Reading Challenge 2011**

The Victorian Premier’s Reading Challenge (VPRC) is for all Victorian students in Prep to Year 10. The aim of the Reading Challenge is to promote a love of reading among students and encourages parents and families to support their children’s reading in and beyond school. It is not a competition, but a challenge to each student to read, to read more and to read more widely.

<table>
<thead>
<tr>
<th>The VPRC 2011 began on 1 February and will end on 16 September 2011. The Challenge rules are as follows:</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. You must register as a Challenger and keep a record of your reading on this website.</td>
</tr>
<tr>
<td>2. You must be a student in a year level from Prep to Year 10 in 2011. You can be learning at a school or learning at home.</td>
</tr>
<tr>
<td>3. You must read the following number of books during the Challenge:</td>

<tr>
<td>Year level</td>

<tr>

</tr>
<tr>
<td>Year 8</td>
</tr>
<tr>
<td>Year 9</td>

<tr>
<td>Year 10</td>
</tr>
</tbody>
</table>

4. If you are in Prep, Year 1 or Year 2 you can read books by yourself or with someone else, for example, a parent, teacher, brother or sister, classmate, buddy or friend. They can help you or read the book to you if you are just learning to read.

5. Your online books must be verified as read by a Coordinator in your school.

6. All your information must be completed online before 16 September 2011.

On completion, the participant will have his or her name published in the Age in October/November as well as receiving a lovely certificate from the Premier of Victoria. More information can be accessed from the website:

Kew East Primary School would like to encourage students to participate in the Challenge but we would like to request for parents to volunteer as Coordinators, who will work in partnership with our Library Technician, Tina Yap.

The Coordinator will be responsible for:

- recording up to date enrolment information
- assigning Coordinator status to other staff where appropriate
- organising student participation, registration and re-allocation
- confirming and checking the accuracy of the details of students registered under their school, including the spelling and order of student names for printing on certificates
- verifying student completion of books
- verifying parent consent for publishing their child's name on the Reading Challenge Achievers Honour Roll
- ensuring all school records are complete and accurate by the end of the Challenge
- emailing the reading challenge Edumail account to notify that the school's data is completed and has been checked.

If you would like to take up the role but would like to find out more information about what is required, do feel free to speak to Tina in the Library on Wednesdays and Fridays. You can also email her at yap.tina.m@edumail.vic.gov.au.

SCHOOL UNIFORM PROPOSED CHANGES

Recently we have been looking at our current school uniform items and think we can offer some improvements that will make them easier to care for, fade resistant and more comfortable for our students.

We are also aware that the options for the girls, who would like to wear a skirt but still be active in the playground, are limited. Many girls wear the sports pleated skirt, which was never meant to be an everyday part of the uniform.

At the recent Welcome Picnic we had some samples of a new polo top, fleecy jacket, sport shorts and skort that we asked your opinion on. We also asked for your ideas on ways we can improve the uniform. Here is a run-down of what you told us:
Polo Top In New Fabric
90% of parents like it, 100% of the students like it. What appeals to the student is that it is like the sports tops they wear at basketball and soccer, which they find very cool and comfortable.

Full Zip Fleecy Jacket
Again, a solid approval for this jacket to replace the ¼ zip fleecy jacket we currently offer. The cotton bomber jacket would continue to be available.

Skort
It was a hit. Many girls are already wearing it. A few Mums’ have an attachment to the pleated sports skirt however the vast majority favours the skort. Some of our older students indicated that would prefer to wear the shorts than the skort.

Track Pants
Parents and students expressed a desire to see straight cut pant rather than the current ankle band style. A few parents suggested a long pant in the same fabric as the shorts. We will see if this is possible for a reasonable price.

Hats
There was a lot of discussion about our hat. General agreement was the existing broad brim is the best however the students dislike (unanimously) the stiff brim; they would like a softer brim. We are looking at other types of broad brim that are softer but still keep their shape and are washable. The smaller tub hat was popular with the prep parents but our older students thought this was a terrible idea!

Sport Shorts
Most parents and students happy with the proposed new fabric and shorter, narrower cut.

Shorts
There is no plan to change our existing school shorts. A number of parents and students expressed a desire to see an option that is a better cut for the girls, particularly for the older girls who were not as keen on the skort. We are looking at what may be available.

Where to from here
It is our intention to offer the new polo, sport short, skort and zip front jacket as replacements for the existing items in our uniform from 2012.

We would start phasing out the pleated skirt for everyday wear from 2012 and from 2013 these skirts will be worn for sport purposes only. This would allow girls to wear and grow out of these skirts and not impose extra costs for parents.

Girls day uniform choice will then consist of a dress, or shorts, or long track pants or a skort.

If you have any comments or ideas, please contact Lisa Marquette, one of our school councillors who is assisting to organise the uniform changes. Lisa’s email is lisamarquette@optusnet.com.au or phone 98516221.

Kew Festival

We all have a date on Saturday 19 March

We are so excited!!! This year’s Kew Festival Grand Parade is scheduled for Saturday 19 March and, as we have a reputation for outstanding entries, this year should prove to be no exceptions!

This year the festival’s theme is “Carnivale Kew” and our carnival masks are looking fantastic thanks to lots of hard work by each student and our highly talented Art teacher, Renee Ferris!

Our students will wear their masks as they march and the result will be a spectacle of visual colour as we all dress in as many different colours as we can.

We aim to have all 450 students march in the hour-long parade and we aim to leave an indelible and impressive image in the minds of the wider Kew community. More detailed information regarding times, meeting points, etc will come home next week but we wanted to give our families lots of warning in the hope that all our families can put this date in their diaries and participate in what is a wonderful community event!

Di Terrill-Wynne
Kew Festival Coordinator
